Corporate Materials

Vendor Meet for Transportation Contractors - 2026

The Fertilisers and Chemicals Travancore Limited (FACT), a Government of India enterprise, is a diversified public sector company engaged in the manufacture and marketing of fertilisers and chemicals, along with engineering and consultancy services and fabrication works. The Company is committed to fostering long-term partnerships with its vendors through transparent, efficient, and collaborative procurement practices.

As part of this commitment, FACT is organising the **Vendor Development Meet for Transportation Contractors - 2026**, providing a collaborative platform for meaningful discussions with our valued contractors on operational improvements and procurement processes.
