NOTICE

CEN No.08/2024 DATED 22-01-2025 RECRUITMENT FOR
VARIOUS POSTS IN LEVEL -1

With reference to the representations received from various Visually Impaired (VI) candidates regarding non-inclusion of their names in the Document Verification (DV) shortlist under CEN No. 08/2024, the following clarification is hereby issued for the information of all concerned candidates:

1. The representations received from candidates have been examined objectively in accordance with the applicable recruitment rules, notified post-wise eligibility criteria and post parameters prescribed under CEN No. 08/2024.

2. A total of 74 vacancies have been allotted to Visually Impaired (VI) candidates against the indent notified for Central Railway under CEN No. 08/2024. The relevant notification is available on the official websites of RRB Mumbai and RRC Central Railway.

3. All candidates are advised to refer to Annexure A of the notification, particularly the table titled "Post Parameters", which specifies the suitability of various posts for different categories of Persons with Benchmark Disabilities (PwBD).

4. As per the notified post parameters, only Category Nos. 2 and 9 are identified as suitable for both Blind (VI-B) and Low Vision (VI-LV) candidates. The remaining eligible categories notified for Central Railway are suitable for Low Vision candidates only. Further, posts such as Track Maintainer, Assistant Pointsman, Assistant Bridge, Assistant C&W, Assistant P.Way, Assistant Track Machine and Assistant TRD have not been identified as suitable for PwBD-VI candidates.

5. Accordingly, candidates belonging to the Low Vision (VI-LV) category have also been considered for Document Verification against other eligible categories, in addition to Category Nos. 2 and 9. Consequently, certain Low Vision candidates having normalized marks lower than those of some Blind (VI-B) candidates have been shortlisted, based on their eligibility for the respective posts.

6. Against Category Nos. 2 and 9, a total of 31 vacancies have been identified for the combined VI (Low Vision) and VI (Blind) categories. Accordingly, 31 candidates have been shortlisted against these vacancies. All shortlisted candidates in these categories have secured normalized marks higher than those of the candidates who have not been shortlisted.

7. It is further clarified that the normalized marks of the last shortlisted candidate belonging to the VI (Blind) category for Category Nos. 2 and 9 is 78.01258.

The cut-off marks of VI (Blind and Low vision) is as under:-

PwBD-VI (Blind)	PwBD-VI (Low Vision)
78.01258	70.17118

Date: 25/11/2026 **Chairman RRC**
