Nature of work/responsibilities and expectations:

1. Serve as the core research and data manager, driving the mixed-methods methodology and implementation science frameworks
2. Design and manage the database. Conduct IDIs and Focus Group Discussions (FGDs) with community participants and ambulance personnel. Ensure strict adherence to qualitative standard operating procedures.
3. Perform thematic coding and qualitative analysis to map systemic and behavioral barriers, translating them into intervention strategies.
4. Assist PRS-II (medical) to Monitor continuous implementation metrics during PDSA cycles. Execute the final quantitative statistical analysis and mixed-methods data integration for the final report
5. Training, guiding and supervising Project Staff in their day-to-day work
6. Conduct good literature search and synthesis, data management, data analysis, report writing
7. Any other related work assigned to.
8. Ability to work in a team

Eligibility criteria (Qualifications and experience)

A. Essential:

- Master's in public health (MPH) or MSc Public Health
- MSc Epidemiology
- MSc Clinical Research
- MSc Nursing

- A relevant master's in health sciences or health services research
- Good communication skills in Tamil & English

B. **Desirable:**

- Prior research experience (one year) in field of emergency care, acute medicine, or prehospital resuscitation will be given priority
- Prior experience in mixed-methods research, preferably utilizing implementation science frameworks
- Prior experience managing or coordinating state/district-level public health projects or field-based surveys.
- Proficiency in data capture and database management systems.
- Experience with qualitative data analysis software and biostatistical software
- Prior academic writing skills, with a track record of assisting in report preparation or literature synthesis.
- Candidate must be willing to travel to urban and rural health facilities in district of Pondicherry for data collection

C. 1. **Maximum Age Limit:** 35 years (as on last date of receipt of applications)

Eligible and interested candidates may email the filled application form (attached), along with CV and supporting documents (scanned in one pdf) to the **Email ID: reviveicmr.recruitment@gmail.com**

Notes:

1. **Applications not in the prescribed format will not be processed or accepted.**
2. Please mention the name of the post applied for in the email subject line.
3. The PDF file should be named as: ***"Candidate name_Post-name_year_application".*** e.g. "***James_PRS I (Non Medical)_2026_application".***
4. *The last date for sending complete applications* by email up to **5PM** on ***27/11/2026.***
5. For those wishing to apply for two or more different posts, a separate application form must be filled in for each post and scanned and sent with the necessary enclosures in separate emails.

Applicants will be shortlisted based on the details furnished in the application, CV, and the documentary proof provided. The list of eligible candidates will also be displayed on the JIPMER website. The final selection will be based on CV, application, and written test/interview.

EVALUATION CRITERIA:

After the evaluation of the application form, the recruitment process will be as follows:

a. **Written test:** Will evaluate domain-specific knowledge based on the post applied for. Topics will include Public Health principles, Emergency/Resuscitation Care guidelines, Implementation Research frameworks, Qualitative/Quantitative research methodologies, and basic Biostatistics.

b. **Interview:** Will assess subject knowledge, practical experience with data collection/clinical audits, communication and translation skills in Tamil and English, and overall suitability and willingness to execute field-based project responsibilities.

TERMS AND CONDITIONS:

1. This position is *purely on contract basis for an externally sponsored project, and the person engaged will have no claim to any regular post in JIPMER at any time*. Further, the position is only for the duration of the project and based purely on external funding support for the project.
2. The engagement may be extended or curtailed at discretion of the Project Investigator.
3. Qualification and experience should be in a relevant discipline/field and in a reputed institution/organization. The experience should have been gained *after acquiring the essential qualification*.
4. Qualification, experience, other terms, and conditions may be relaxed/ altered at the discretion of the Principal Investigator.
5. Valid email ID and mobile number are compulsory.
6. Consolidated salary of the post may vary from time to time. No other allowance/facilities other than consolidated salary shall be extended.
7. Submission of wrong or false information at any stage during the process of selection or canvassing of any kind will lead to disqualification or even termination if detected after the person has been engaged.
8. Only shortlisted candidates will be called for a written test and/or interview. Decision of the Project Investigator will be final. If the number of applications is very large, more stringent criteria than those specified above may be used to determine eligibility.
9. No TA/DA will be paid for attending the interview.
10. Incomplete applications and applications that are not in the prescribed format and those not fulfilling the essential criteria above are likely to be summarily rejected. Candidates may attach their CVs with the application form. *However, applications with CV alone and without the prescribed form and certificates will be rejected*.

Interviews for the post may be conducted in person or via videoconferencing, at the discretion of the Principal Investigator. In the latter case, it will be the individual candidate's responsibility to ensure access to a suitable device (computer/ laptop/ mobile) with audio and camera facilities, and an adequate internet connection.

Date and time of interview will be notified **one week in advance.**
