Advertisement for Recruitment to Project Posts (on Contract)

Applications are invited from eligible candidates to work on the following posts on a contract basis in a research project funded by an external agency at the Jawaharlal Institute of Postgraduate Medical Education and Research (JIPMER), Puducherry/Karaikal, as per the details below.

Name of post (number)	Project Technical Support – III (2)
Likely duration	One year (extended up to three years based on satisfactory performance of the candidate)
Consolidated remuneration	Rs. 33,600/- pm (Rs.28,000/- + 5600 [20% HRA])
Project title	Co-design and implementation of a multidisciplinary stroke telerehabilitation package at a tertiary care centre in South India: A Hybrid Type II effectiveness implementation quasi-experimental study
Funding Agency	ICMR
Project investigator (PI)	Dr. Saranya B Gomathy
PI's department	Department of Neurology

Nature of work/responsibilities and expectations:

- Assist the Project Research Scientist in coordinating day to day project activities.
- Support screening, recruitment and enrolment of stroke survivors and caregivers.
- Assist in obtaining informed consent and maintaining participant records.
- Coordinate telerehabilitation sessions and follow-up visits.
- Assist in conducting baseline assessments and follow up.
- Support caregiver training and coordination with the multidisciplinary team.
- Monitor participant follow-ups and intervention activities.
- Assist in data entry, data management and preparation of project reports.
- Maintain bills, vouchers and other financial records and support project fund utilization.
- Perform other project related duties assigned by the Principal Investigator.

Eligibility criteria (Qualifications and experience)

Essential:

- Graduate degree in Occupational Therapy/ Physiotherapy (BOT/BPT) or Nursing (BSc Nursing), Sociology, Public Health or equivalent degree with three years of post-qualification experience or postgraduation in relevant field.

Desirable:

- Experience in clinical research, stroke rehabilitation or telehealth related projects.
- Knowledge of telehealth and telerehabilitation guidelines and methods.
- Computer skills in MS Office, Excel, email and video-conferencing tools.
- Experience in using digital health platforms, mobile based applications and telehealth tools.
- Ability to converse in Tamil fluently
- Proficiency in SPSS/STATA/R and data management software (Epicollect/REDCap).

Maximum Age Limit: Not exceeding 35 years (as on last date of receipt of applications)

Eligible and interested candidates may email the filled application form (attached), along with CV and supporting documents (scanned in one pdf) to the **Email ID: strokeicmr2026@gmail.com**

Notes:

1. **Applications not in the prescribed format will not be processed or accepted.**
2. Please mention the name of the post applied for in the email subject line.
3. The PDF file should be named as: ***"Candidate name_Post-name_year_application".*** e.g. "***James_DEO_2023_application".***
4. *The last date for sending complete applications* by email up to **5 pm** on **18.11.2026.**
5. For those wishing to apply for two or more different posts, a separate application form must be filled in for each post and scanned and sent with the necessary enclosures in separate emails.

Applicants will be shortlisted based on the details furnished in the application, CV, and the documentary proof provided. The list of eligible candidates will also be displayed on the JIPMER website. The final selection will be based on CV, application, and written test/interview.

EVALUATION CRITERIA:

After the evaluation of the application form, the recruitment process will be as follows:

a. Written test b. Interview

Topics for evaluation/syllabus: Basic knowledge of stroke and post-stroke rehabilitation, principles of telerehabilitation and telehealth, research methodology, clinical research coordination, participant recruitment and informed consent, multidisciplinary rehabilitation, caregiver training, data collection and management, digital health platforms, implementation research, monitoring and evaluation, and basic statistical analysis.

TERMS AND CONDITIONS:

1. This position is *purely on contract basis for an externally sponsored project, and the person engaged will have no claim to any regular post in JIPMER at any time*. Further, the position is only for the duration of the project and based purely on external funding support for the project.
2. The engagement may be extended or curtailed at discretion of the Project Investigator.
3. Qualification and experience should be in a relevant discipline/field and in a reputed institution/organization. The experience should have been gained *after acquiring the essential qualification.*
4. Qualification, experience, other terms, and conditions may be relaxed/ altered at the discretion of the Principal Investigator.
5. Valid email ID and mobile number are compulsory.
6. Consolidated salary of the post may vary from time to time. No other allowance/facilities other than consolidated salary shall be extended.
7. Submission of wrong or false information at any stage during the process of selection or canvassing of any kind will lead to disqualification or even termination if detected after the person has been engaged.
8. Only shortlisted candidates will be called for a written test and/or interview. Decision of the Project Investigator will be final. If the number of applications is very large, more stringent criteria than those specified above may be used to determine eligibility.
9. No TA/DA will be paid for attending the interview.

Date and time of written test & interview: November 30th, 2026

Written test time: 10:00 AM

Interview time: 3:00 PM onwards (for candidates who qualify in the written test)

Venue: Seminar Room (Near Neurology Office), Department of Neurology, JIPMER Puducherry
