REPLY BY ANSWERING RESPONDENT NO. 5, KOMAL MITTAL, IAS, PRESENTLY POSTED AS DEPUTY COMMISSIONER, S.A.S NAGAR

The Answering Respondent No. 5 Most Respectfully Showeth:

1. That the present reply is being filed on behalf of Respondent No. 5 in response to the Original Application filed by the Applicant under Sections 14 and 15 of the National Green Tribunal Act, 2010, concerning the alleged illegal and unscientific disposal of municipal solid waste at land adjoining the service road towards Kharar-Airport Road, near Gurudwara Singh Shaheedan and Judges and Officers Enclave, Sector-77, Mohali, Punjab.

NOTARY T.P. SINGH ADVOCATE Regn. No.5163 S.A.S. Nagar (Pb.) GOVT. OF INDIA

2. That the contents of the Original Application, relate to the alleged dumping of municipal solid waste and the alleged violations of the Solid Waste Management Rules, 2016.

3. That the answering respondent no. 5 submits that the responsibility for the day-to-day collection, transportation, processing and scientific disposal of

- 3 NOV 2025

municipal solid waste is required to be done by Municipal Corporation, S.A.S Nagar in accordance with the Solid Waste Management Rules, 2016.

4. That the site in question is a commercial site under the jurisdiction of Greater Mohali Area Development Authority (GMADA) but is used by Municipal Corporation, S.A.S Nagar as Material Recovery Facility (MRF) site. Municipal Corporation, S.A.S Nagar has submitted that due to increasing population and newly constructed societies in its vicinity, the area of the present Material Recovery Facility (MRF) site is not sufficient and demanded to either increase the area of present site to cater the increased load of solid waste or to provide better suited site where waste of the entire catchment area can be accumulated.

5. That the matter is being actively pursued at the district level and meetings have been convened by Respondent No. 5 on 05.10.2026, 06.10.2026, 19.10.2026 and 27.10.2026 with officers of Greater Mohali Area Development Authority (GMADA) , Municipal Corporation, S.A.S Nagar and Punjab Pollution Control Board (PPCB), Mohali to discuss the issues involved and to facilitate its resolution in accordance with law.

6. That:

i) In the meeting held on 06.10.2026 (Proceedings of the meeting attached at **Annexure A**)

a. Respondent No. 3 Greater Mohali Area Development Authority (GMADA) was directed to provide suitable chunk of land to Municipal Corporation for setting up Material Recovery Facility (MRF).

b. Municipal Corporation, S.A.S Nagar was directed to clear the present site in Sector 77 and submit compliance report along with photographic evidence.

c. Punjab Pollution Control Board (PPCB), Mohali was directed to ensure compliance to the Solid Waste Management Rules 2016 by Municipal Corporation, S.A.S Nagar.

ii) In the meeting held on 19.10.2026, (Proceedings of the meeting attached at **Annexure B**)

a. Respondent No. 3 Greater Mohali Area Development Authority (GMADA) has been directed to provide alternative site to Municipal Corporation, Mohali at Sector-77 or expand the area of current Material Recovery Facility (MRF) site. Accordingly, Chief Engineer GMADA vide their office letter no. 795 dated 30.10.2026 has sent 100 * 100 site map to Chief Engineer, Municipal Corporation, SAS Nagar that is earmarked on the plan to check the feasibility of the site and would be handed over if found feasible.

b. Respondent No. 4 (Municipal Corporation, S.A.S Nagar) was directed to maintain the site strictly as per Solid Waste Management Rules, 2016.

c. Punjab Pollution Control Board (PPCB), Mohali has been directed to share the Solid Waste Management Rules, 2016 with the office

of Municipal Corporation, S.A.S Nagar and ensure that site is maintained by Municipal Corporation, S.A.S Nagar strictly as per Solid Waste Management Rules. Accordingly, Punjab Pollution Control Board (PPCB), Mohali has shared the rules with the office of Municipal Corporation, S.A.S Nagar vide their office letter no. 3423 dated 27.10.2026 **(Annexure-C).**

7. That PPCB Mohali has submitted site inspection reports dated 05.10.2026, 19.10.2026, 27.10.2026, 02.11.2026 and 03.11.2026 to this office.

i) In inspection report dated 05.10.2026, they have stated:
" The service road near MRF was found clear from solid waste. The unsegregated solid waste was lying on open land adjoining to the service road towards Kharar-Airport Road." **(Annexure-D)**

ii) In inspection report dated 19.10.2026, they have stated :
"The service road near MRF was found blocked with solid waste and the unsegregated solid waste was found dumped outside the MRF in unscientific manner." **(Annexure-E)**

iii) In inspection report dated 27.10.2026 they have stated:
*"The service road near MRF was found almost clear. However, unsegregated solid waste is still lying on open land adjoining to the service road towards Kharar-Airport Road."***(Annexure-F).**

Letter No. 2765-66 /M.A-2 dated: 6/10/26

Subject: Punjab Judges & officers Rural Cooperative Housing Building Society Ltd versus State of Punjab & others in the Original Application No. 629/2025).

With regard to the subject cited above OA No. 629/2025 titled "Punjab Judges & Officers Rural Cooperative Housing Building Society Ltd. Vs State of Punjab & Ors." before National Green Tribunal Principal Bench, New Delhi, concerning heaps of municipal solid waste lying at the open land adjoining service road on Kharar-Airport Road near Gurudwara Sahib Singh Shaheedan and adjoining Judges and Officers Enclave, Sector 77 Mohali, Punjab. In its order dated 14.08.2026 NGT has sought reply from Deputy Commissioner, SAS Nagar.

Municipal Corporation, SAS Nagar has submitted a reply before NGTNew Delhi on 13.08.2026, in which they stated that the site in question is a Resource Management Centre (RMC) i.e. non biodegradable waste is brought here and transported to the dump site.They further added that the land falls within the limits of Greater Mohali Area Development Authority (GMADA), so only GMADA is authorized to take action on the said land.However this RMC point surrounded by GI sheets and no waste has been lying at the site.

GMADA has submitted a reply before NGT New Delhi on 13.05.2026 in which they have stated that site in question is commercial site as per the approved layout plan of Sector 77 SAS Nagar and the said site is owned by answering respondent No. 3 (GMADA). They have communicated to Commissioner, Municipal Corporation, SAS Nagar on 16.02.2026, requesting it not to dump municipal solid waste on the said site and further to clear this site of the waste already dumped thereon. Also, all Public Health services including sanitation work of Sectors 76 to 80, S.A.S Nagar stand handed over by GMADA to Respondent No. 4 (Municipal Corporation) w.e.f. 31.12.2020.

Er. Arshdeep Kang, AEE from PPCB, SAS Nagar has visited the site as per directions byundersigned in the meeting held on 05.10.2026 and submitted an inspection report of the site in which she has stated the service road near MRF was found clear from the solid waste. However, unsegregated solid waste is still lying on open land adjoining to the service road towards Kharar-Airport road.

In view of above stated facts in the meeting held on 06.10.2026, GMADA is directed to provide a suitable chunk of land to Municipal Corporation for setting up RMC. Municipal Corporation is directed to clear the present site in Sector 77 and submit compliance report along with photographic evidence to this office within a week.XEN PPCB is directed to ensure compliance to the Solid Waste Management Rules 2016 by Municipal Corporation SAS Nagar.

Letter No.: 2956–2958 /MA-2 **Dated:** 21.10.2026

Subject: Proceedings of the meeting held in connection with Punjab Judges & Officers Rural Cooperative Housing Building Society Ltd. versus State of Punjab & Others, Original Application No. 629/2025.

A meeting was held under the chairmanship of the Deputy Commissioner, SAS Nagar, on 19.10.2026 at 12:00 noon in the District Administrative Complex, SAS Nagar. The officers/officials present in the meeting were as follows:

Sr. No.	Department	Name/designation of officer/official
1.	Municipal Corporation, SAS Nagar	Sh. Sandeep Singh Garha, Commissioner, Municipal Corporation
2.	GMADA, SAS Nagar	Sh. Ajay Garg, Chief Engineer
3.	Punjab Pollution Control Board, Mohali	Sh. Vipan Kumar, XEN

The case mentioned in the subject is listed before the Hon'ble National Green Tribunal, New Delhi, on 04.11.2026, wherein the applicant has raised the issue of municipal solid waste being dumped on an open piece of land adjoining the service road near Gurdwara Singh Shaheedan and Judges and Officers Enclave, towards Kharar–Airport Road.

In this regard, the Municipal Corporation, SAS Nagar, informed that the site falls within the jurisdiction of GMADA. GMADA, in turn, stated that although the site falls within its jurisdiction, the responsibility for ensuring the proper utilisation of the said land as an RMC (Resource Management Centre) rests with the Municipal Corporation, SAS Nagar. The Municipal Corporation, SAS Nagar, has also constructed a boundary wall around a portion of the said site and covered it with a tin shed. However, an official of the PPCB, Mohali, visited the site on 19.10.2026 and furnished the inspection report to the undersigned. In the report, it was stated that heaps of solid waste had been dumped in an unscientific manner outside the MRF, due to which the service road near the MRF was found blocked. It was further observed that, keeping in view the increasing population, the area of land available appears to be insufficient for its utilisation as an RMC.

In order to resolve the issue, a meeting was convened by the undersigned on 19.10.2026 with GMADA, SAS Nagar, the Municipal Corporation, SAS Nagar, and PPCB, Mohali.

In this regard, the Commissioner, Municipal Corporation, SAS Nagar, furnished a report during the meeting, wherein it was stated that if the said RMC point is to be shifted from its present location in front of Sector-77, Homeland, an alternative suitable site near the said RMC point may be provided by GMADA. In this regard, the officer who attended the meeting from GMADA was directed by the undersigned to expand the area of the site already allotted, keeping in view the increasing population, and hand over the expanded site to the Municipal Corporation, SAS Nagar.

The officer representing the Municipal Corporation, SAS Nagar, was directed to ensure that the allotted site is properly managed and maintained in accordance with the provisions of the Solid Waste Management Rules, 2016, in strict compliance with the prescribed norms. The officer representing PPCB, Mohali, was directed to ensure that a copy of the Solid Waste Management Rules, 2016, is shared with the office of the Municipal Corporation, SAS Nagar. Further, the officer was directed to conduct regular visits to the site and ensure that the Municipal Corporation, SAS Nagar, maintains the said site in accordance with the provisions of the Solid Waste Management Rules, 2016.

In this regard, the officers of GMADA and the Municipal Corporation, SAS Nagar, were directed to submit written reports pertaining to their respective departments to the undersigned within three days, so that a consolidated reply could be submitted before the Hon'ble National Green Tribunal, New Delhi, within the stipulated time.

It was also decided that the next meeting would be held on 27.10.2026.

Subject: Punjab Judges & Officers Rural Cooperative Housing Building Society Ltd. versus State of Punjab & Others in Original Application No. 629/2025 regarding construction of a Material Recovery Facility (MRF) at Sector-77.

Ref.: 1. Minutes of the meeting dated 21.10.2026 issued by your office.

2. Letter No. 795 dated 30.10.2026 from the Chief Engineer, GMADA.

With reference to the subject and the letters cited above, it is submitted that during the meeting held under your chairmanship on 19.10.2026 concerning Original Application No. 629/2025 pending before the Hon'ble National Green Tribunal, New Delhi, the shifting of the existing Material Recovery Facility (MRF) at Sector-77, S.A.S. Nagar, was discussed.

In this regard, the Chief Engineer, GMADA, vide letter dated 30.10.2026, has forwarded a layout plan identifying a site measuring 100′ × 100′ at Sector-77. It is submitted that the Municipal Corporation, S.A.S. Nagar, is taking action to construct a new Material Recovery Facility (MRF) at the said site. The construction work shall be completed within six months from the date of taking possession of the site from GMADA. The tentative schedule is as follows:

Sr. No.	Description of Work	Estimated Time	Time Frame
