ADDITIONAL AFFIDAVIT ON BEHALF OF RESPONDENT NO. 4, M/S UJALA CYGNUS CENTRAL HOSPITAL, HALDWANI, IN COMPLIANCE OF THE ORDER DATED 06.08.2026 PASSED BY THIS HON'BLE TRIBUNAL

MOST RESPECTFULLY SHOWETH:

NOTARY PUBLIC ★ GOVT. OF INDIA ★ RAMPAL PANWAR Area Delhi Regn No. 16595 Expiry-Jan-2030

I, Sh. Devi Datt Joshi S/o Sh. R.D. Joshi, aged about 51 years, unit head of M/s Ujala Cygnus Central Hospital, Kaladhungi Road, Tiraha, near Gas Godam, Kusumkhera, Haldwani, Uttarakhand 263139, duly authorised to depose on behalf of Respondent No. 4, do hereby solemnly affirm and state as under:

1. That the deponent is the authorised representative of Respondent No. 4 and is well conversant with the facts and circumstances of the present case on the

basis of the official records maintained by the hospital. The deponent is competent and duly authorised to swear the present additional affidavit.

2. That the present additional affidavit is being filed on behalf of Respondent No. 4 in compliance with the order dated 06.08.2026 passed by this Hon'ble Tribunal in the present Original Application.

3. That Respondent No. 4 had previously filed its reply affidavit dated 15.04.2026 in the present Original Application, wherein the facts concerning the hospital's statutory permissions, the installed ETP and STP, the proposed upgradation of the treatment facilities, and the response to the show cause notice issued by the Uttarakhand Pollution Control Board (UKPCB) were set out. The present additional affidavit is supplemental to the earlier reply affidavit, and the contents thereof may kindly be read together with the present affidavit and the facts are not being repeated for the sake of brevity.

4. That the answering respondent had earlier submitted that an Effluent Treatment Plant (ETP) having a stated capacity of 10 KLD and a Sewage Treatment Plant (STP) having a stated capacity of 100 KLD were installed at the hospital premises. During the course of hospital operations, it was observed that the actual wastewater generation was higher than the quantity estimated at the time of installation of the treatment facilities. Accordingly,

NOTARY PUBLIC ★ GOVT. OF INDIA ★
RAMPAL PANWAR
Area Delhi
Regn No. 16595
Expiry-Jan-2030

remapping and upgradation of the ETP and STP were undertaken to improve the wastewater-treatment arrangements.

5. That the answering respondent respectfully submits that the process of remapping and upgradation of the ETP and STP along with installation of an Ultrafiltration (UF) system was completed on 15.09.2026. The upgradation was undertaken with the objective of improving the functioning and efficiency of the treatment facilities in view of the wastewater generated during the hospital's operations.

6. That, in support of the aforesaid submission regarding completion of the upgradation process, the answering respondent is placing on record photographs depicting the upgraded treatment facilities and the relevant arrangements at the hospital premises. The said photographs are being filed collectively as **ANNEXURE R-1 (COLLY.)** to the present additional affidavit.

NOTARY PUBLIC ★ GOVT. OF INDIA ★ RAMPAL PANWAR Area Delhi Regn No. 16595 Expiry-Jan-2030

7. That the answering respondent respectfully submits that the photographs annexed herewith are being placed on record as documentary material evidencing the physical status of the treatment facilities following the upgradation. The answering respondent requests that the said photographs be

considered along with the other documents on record while examining the present status of the ETP and STP at the hospital premises.

8. That the answering respondent has also sent the intimation of completion of work dated 17.09.2026 to Member Secretary, UKPCB, Haldwani, Regional Office, UKPCB, Haldwani, DM Nainital, Deep Chandra Pande/Applicant (Haldwani), CMO Office, (Haldwani), Office of Executive Engineer-(Uttarakhand Jal Sansthan), and Municipal Corporation Office Nagar Nigam, (Haldwani) vide letter dated 17.09.2026. The copies of the letter are annexed herewith as Annexure R-2 (Colly).

LATEST STP OUTLET LABORATORY TEST REPORT

9. That, in addition to the photographs evidencing the upgradation, the answering respondent is also placing on record the latest available laboratory test report concerning the STP outlet sample collected from the hospital on 16.09.2026.

NOTARY PUBLIC ★ GOVT. OF INDIA ★ RAMPAL PANWAR Area Delhi Regn No. 16595 Expiry-Jan-2030

10. That the aforesaid laboratory report bears Report Code WW-170926-012, Service Request No. NTL/SRF/09/26-05 and Report Issue Date is 23.09.2026. The sample is described in the report as "STP Outlet" and was received by the laboratory on 16.09.2026. The analysis was conducted during the period from 17.09.2026 to 23.09.2026.

11. That the results recorded in the aforesaid laboratory report are as follows:

a. **pH:** 7.38, against the limit of 5.5–9.0 specified in the report

b. **Total Suspended Solids (TSS):** 15.0 mg/L, against the limit of 100.0 mg/L specified in the report;

c. **Chemical Oxygen Demand (COD):** 46.0 mg/L, against the limit of 250.0 mg/L specified in the report;

d. **Biological Oxygen Demand (BOD):** 9.0 mg/L, against the limit of 30.0 mg/L specified in the report; and

e. **Oil and Grease:** Below Detection Limit (BDL), reported as less than 4.0 mg/L, against the limit of 10.0 mg/L specified in the report.

12. That it is pertinent to mention that the laboratory report records that the tested parameters were within the limits specified therein.

13. That a true copy of the laboratory test report dated 23.09.2026, bearing Report Code WW-170926-012, is annexed herewith and marked as **ANNEXURE R-3**.

NOTARY PUBLIC ★ GOVT. OF INDIA ★ RAMPAL PANWAR Area Delhi Regn No. 16595 Expiry-Jan-2030

14. That the answering respondent respectfully submits that the complete upgradation of the ETP and STP, involving treatment upto tertiary level through UF Installation, as evidenced by the photographs annexed herewith, together with the subsequent STP outlet laboratory test report, are relevant

developments which may kindly be considered while examining the current status of wastewater management at the hospital.

15. That the answering respondent respectfully submits that the subsequent laboratory report should be considered, along with the photographs of the upgraded treatment facilities and any other relevant operational records. The answering respondent is willing to cooperate with UKPCB and other competent authorities in any further inspection, collection of representative samples or verification considered necessary in accordance with law.

SUBMISSIONS REGARDING THE EARLIER SHOW CAUSE PROCEEDINGS

16. That the answering respondent had earlier received a show cause notice dated 05.02.2026 issued by UKPCB and had submitted its reply/representation dated 06.04.2026, explaining its position regarding the installed treatment facilities, the proposed remapping and upgradation, and the steps taken to improve the treatment process.

17. That the answering respondent respectfully submits that the upgradation process has now been completed and that photographs evidencing the upgraded facilities, together with the latest available STP outlet laboratory

test report dated 23.09.2026, are being placed on record by way of the present additional affidavit.

18. That the aforesaid subsequent developments may kindly be considered by this Hon'ble Tribunal and by the competent statutory authority while examining the outstanding issues arising from the earlier inspection and show cause proceedings.

19. That the answering respondent undertakes to produce the relevant operational and maintenance records concerning the upgraded ETP and STP, as well as other supporting documents available with the hospital, as may be required by the competent statutory authority or directed by this Hon'ble Tribunal.

20. That on 13.10.2026, after the intimation of the completion of the ETP & STP installation to various authorities as mentioned in para 8 of this affidavit, the hospital has received the directions from the UKPCB dated 01.10.2026 for depositing an Environmental Compensation of Rs 11,25,000/- (Rupees Eleven Lakh Twenty Five Thousand only) within 30 days. The Copy of the directions is placed at **Annexure R-4.**

NOTARY PUBLIC ★ GOVT. OF INDIA ★ RAMPAL PANWAR Area Delhi Regn No. 16595 Expiry-Jan-2030

21. That as the directions have been received by the Hospital on 13.10.2026, the same is being considered for further necessary action within the stipulated time.

22. That the present additional affidavit is being filed bona fide and in compliance with the order dated 06.08.2026 passed by this Hon'ble Tribunal, with the object of placing the subsequent developments and supporting documents on record for a fair and complete adjudication of the present Original Application.

23. In view of the facts and circumstances stated hereinabove, it is most respectfully prayed that this Hon'ble Tribunal may graciously be pleased to take the present additional affidavit on record in compliance with the order dated 06.08.2026 passed by this Hon'ble Tribunal;

Mani Bajaj

SUBJECT: LETTER OF COMPLETION – UPGRADATION OF EFFLUENT TREATMENT PLANT (ETP) AND SEWAGE TREATMENT PLANT (STP) INSTALLED AT THE HOSPITAL

Sir,

This is in reference to the Show Cause Notice dated 5th February 2026 issued by your office (UKPCB/HO/C&M/K-210/2026) and the case currently pending with Hon'ble National Green Tribunal, Principal Bench, New Delhi, in Original Application No. 75/2026 (Deep Chandra Pande vs. Uttarakhand Pollution Control Board & Ors.).

We write to inform your esteemed office that Ujala Cygnus Central Hospital, Haldwani, has successfully completed the re-mapping and upgradation of its Effluent Treatment Plant (ETP) and Sewage Treatment Plant (STP) installed within the Hospital premises. The upgradation work was undertaken with the objective of enhancing treatment efficiency, ensuring consistent regulatory compliance, and strengthening the Hospital's overall environmental management practices.

We are pleased to confirm that the aforesaid upgradation has now been duly completed as on **15th September 2026**. Both the ETP and STP are functioning satisfactorily and are treating the effluent and sewage generated at the Hospital in accordance with the standards prescribed by the Central Pollution Control Board and the State Pollution Control Board. Further, the Ultrafiltration (UF) system has also been duly installed and is operational as part of the aforesaid upgradation. The installation reports pertaining to the ETP, STP and UF system are also annexed herewith for your kind reference and record.

The Hospital remains fully committed to maintaining the ETP and STP in good working condition on an ongoing basis, to conducting regular monitoring of treated effluent quality, and to extending complete cooperation to your office and its officials for any inspection, verification, or further information that may be required in this regard.

This is submitted for your kind information and record.

Thanking you,

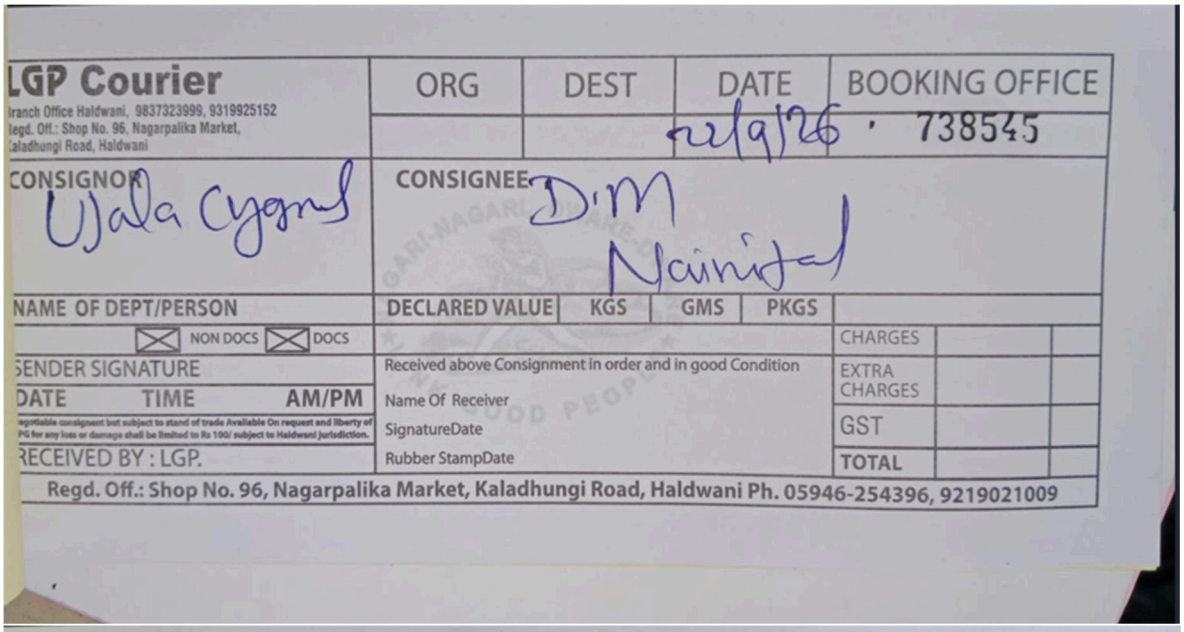

Regards,

To,

M/s Ujala Signus Central Hospital,
Gas Godown Tiraha, Kusumkheda,
Haldwani, Nainital.

Directions under Section 33(A) of Water (Prevention and Control of Pollution) Act-1974 and Bio-Medical Waste Management Rules, 2016

WHEREAS, an inspection of **M/s Ujala Signus Central Hospital** *located at* **Gas Godown Tiraha, Kusumkheda, Haldwani, Nainital** was carried out by the officials of **Regional Office, Haldwani** on dated **03.07.2025** and unit was found non-compliant with the provisions of **Water (Prevention and Control of Pollution) Act-1974 and Bio-Medical Waste Management Rules, 2016;**

WHEREAS, a show cause notice was issued on ***05.03.2026 vide letter no.*** **UKPCB/HO/C&M/K-210/2026** and

WHEREAS, the unit was inspected with respect to the show cause notice on ***02.05.2026*** and the observations are as follows: -

1) M/s Ujala Signusnus Central Hospital is located at Gas Godown Tiraha, Kusumkheda, Haldwani, District-Nainital. The hospital has 150 beds and generates various categories of biomedical waste. During the inspection, the hospital did not submit bar-coding documents related to the disposal of biomedical waste.
2) The hospital was found to have color-coded bins for biomedical waste segregation. At the time of the inspection, biomedical waste generated by the hospital was being segregated and placed in color-coded bins. A contract has been signed with Global Environment Solutions, Gadarpur (Udham Singh Nagar), for the disposal of the generated biomedical waste.
3) The hospital has installed ETP (10 KLD) for disposal of effluents generated from surgical ward, OT, emergency, pathology etc. sections and STP (100 KLD) for disposal of known domestic effluents, which were not in operation during the inspection.
4) During the inspection, the hospital representative did not provide the logbooks related to the ETP and STP. A sample of the final effluent from the combined ETP and STP effluent disposal point was collected and analyzed in the office laboratory. The analysis report was found to be non-compliant. (Attachment 2)
5) During the inspection, the hospital representative informed that the domestic effluent is disposed of by the hospital through tankers into the combined sewer line installed by the Uttarakhand Drinking Water Corporation.

WHEREAS, based on the above observations, it is evaluated that the unit has not complied with the directions of show cause notice.

1/341468/20

/2026-21-DEPT-PCB
